Who We Are

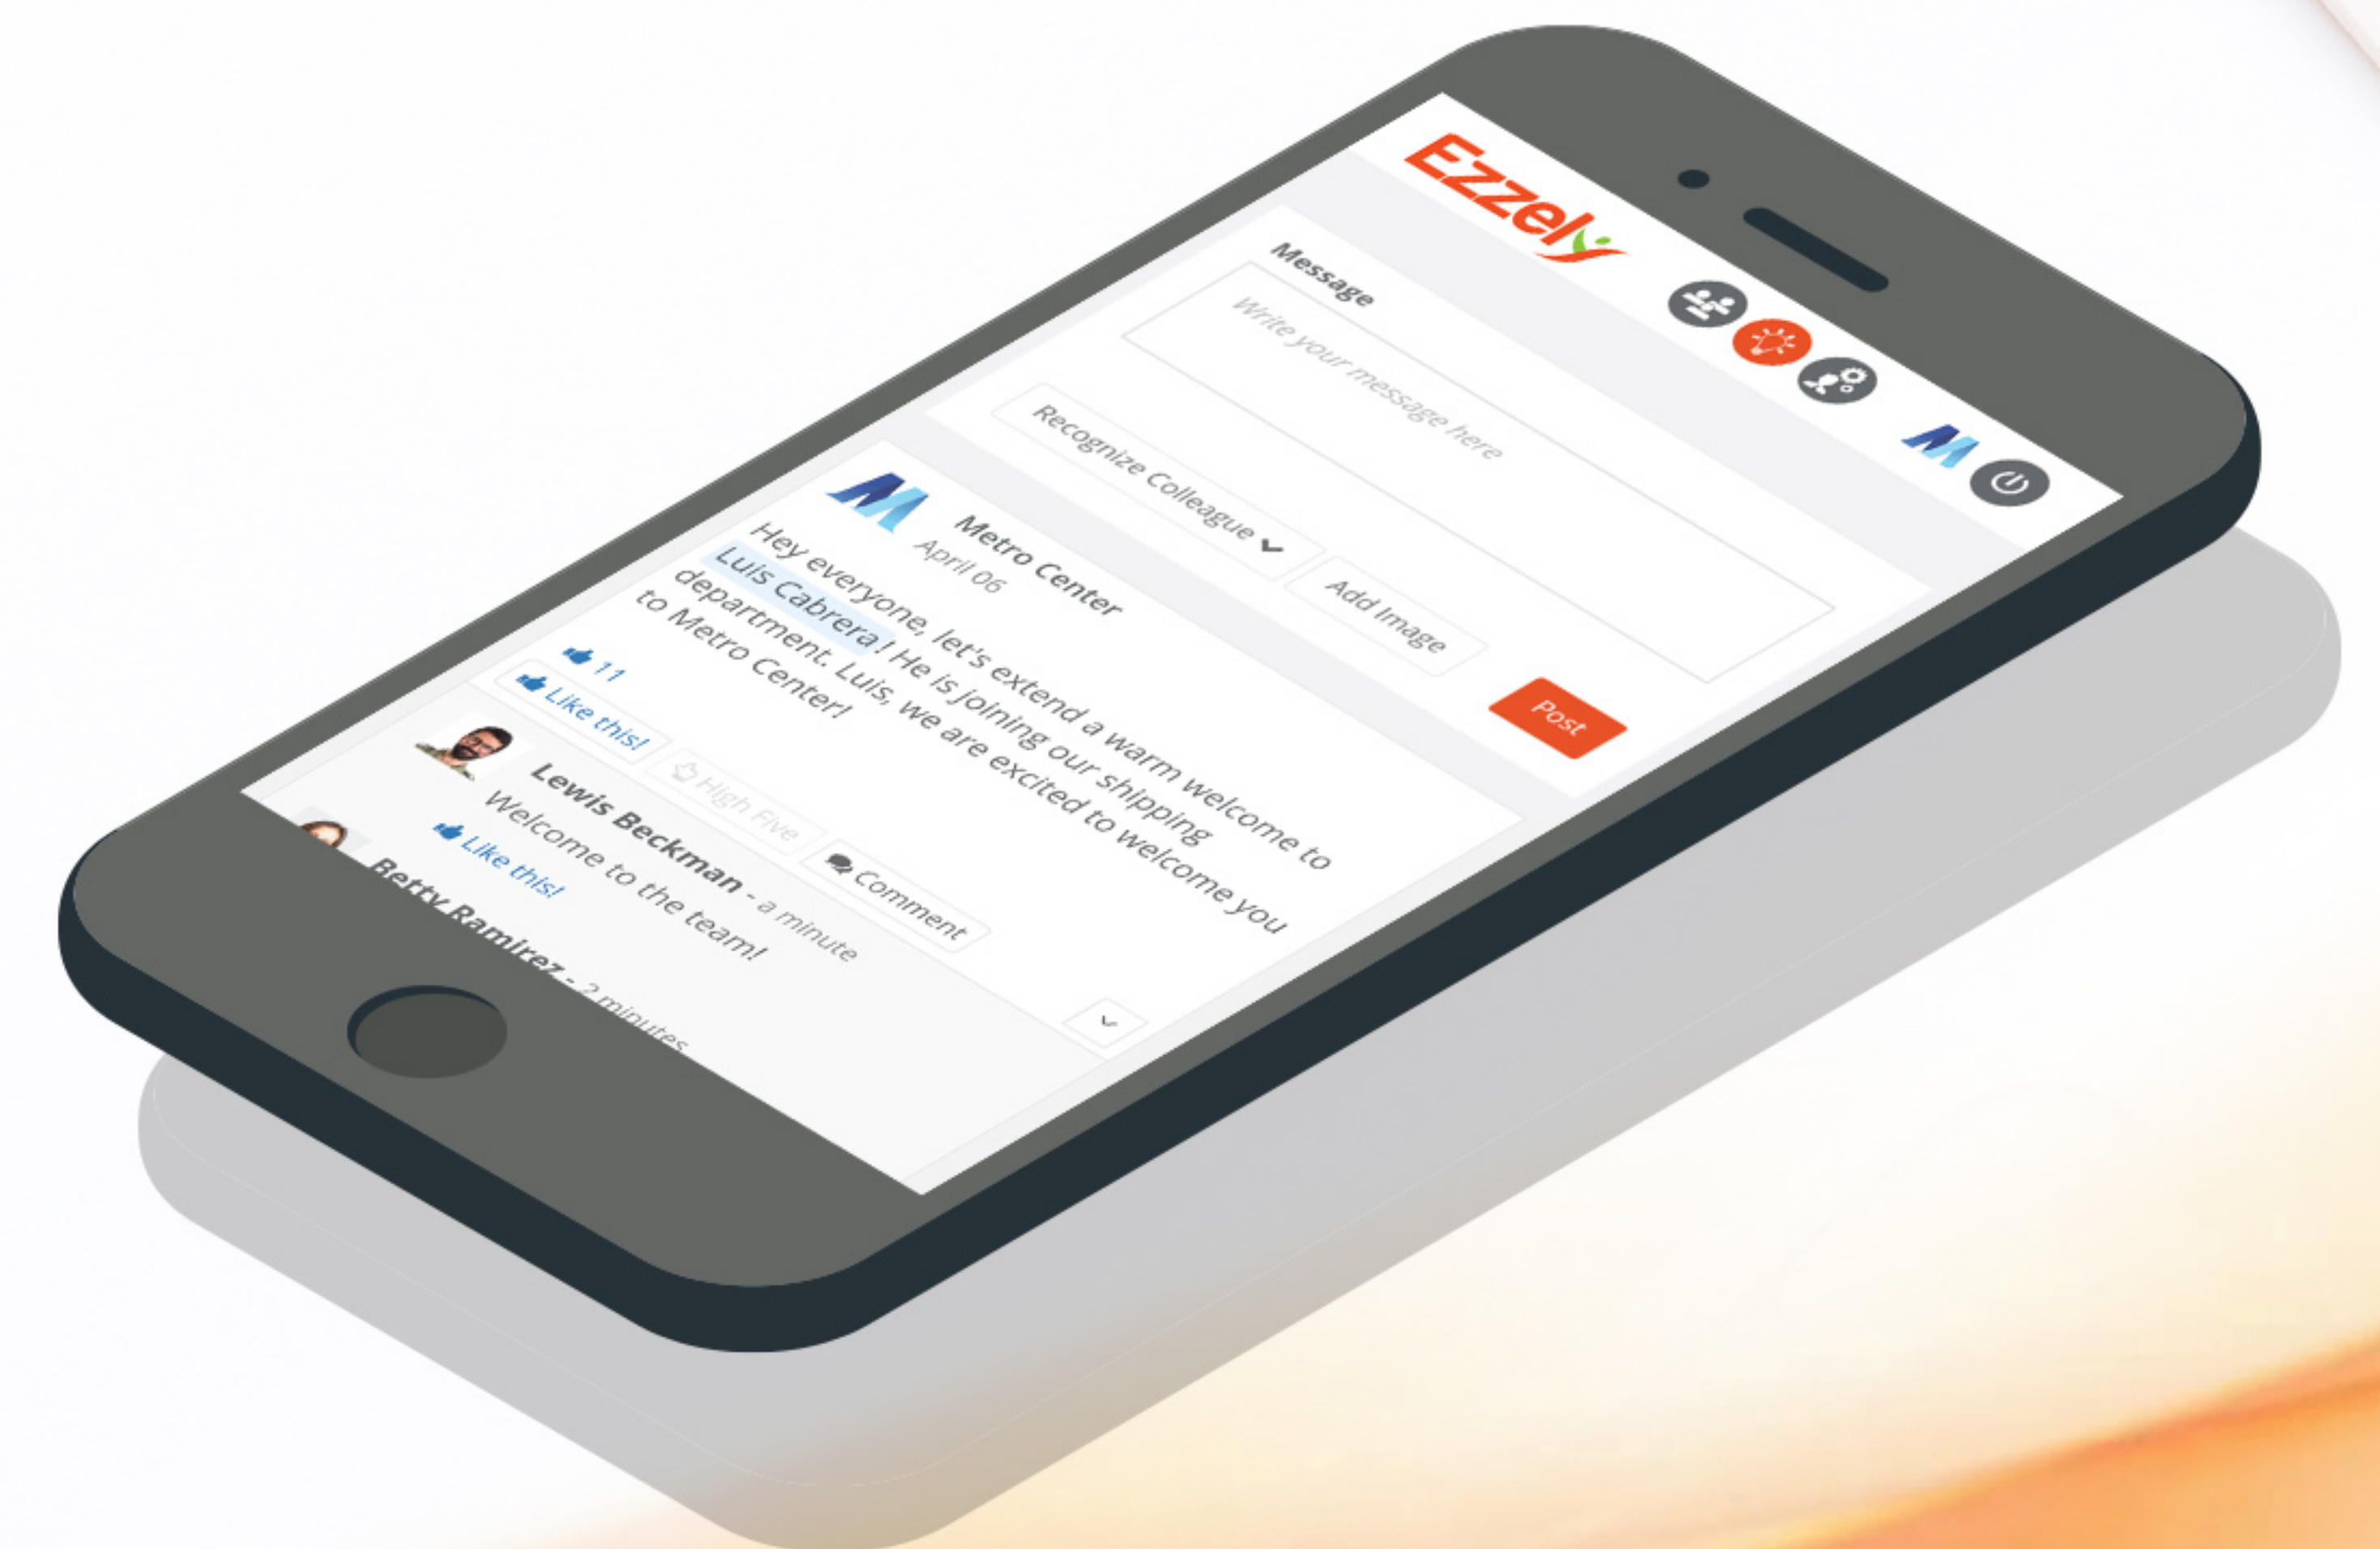

With our main office located in San Jose, California, Ezzely is a sister company of Coggnos.com, which has been providing HR solutions for over 10 years.

The challenges of engaging and retaining valued staff are becoming more and more complex, and with distractions only a click away, we decided to address these challenges by creating an intuitive and interactive environment for companies to facilitate communication, engagement, training and rewards easily at the fingertips of all staff.

Ezzely provides an easy & intuitive way for organizations, large and small, to reap the most out of their employees in a fun and engaging way and most importantly on the devices that they carry with them everywhere.

Why We Exist

- ✓ To provide a platform to facilitate engagement, communication, training and rewards
- ✓ To place your business priorities in the hands of everyone in your organization
- ✓ Ezzely is Sophisticated Technology that's very intuitive and simple to use

WHY EMPLOYEE ENGAGEMENT AND COMMUNICATION IS IMPORTANT TO YOU

Businesses spend nearly 20% of an employee's annual salary to replace them

Companies with engaged employees are 50% less likely to have workplace accidents

#1 reason most Americans leave their jobs is that they don't feel appreciated

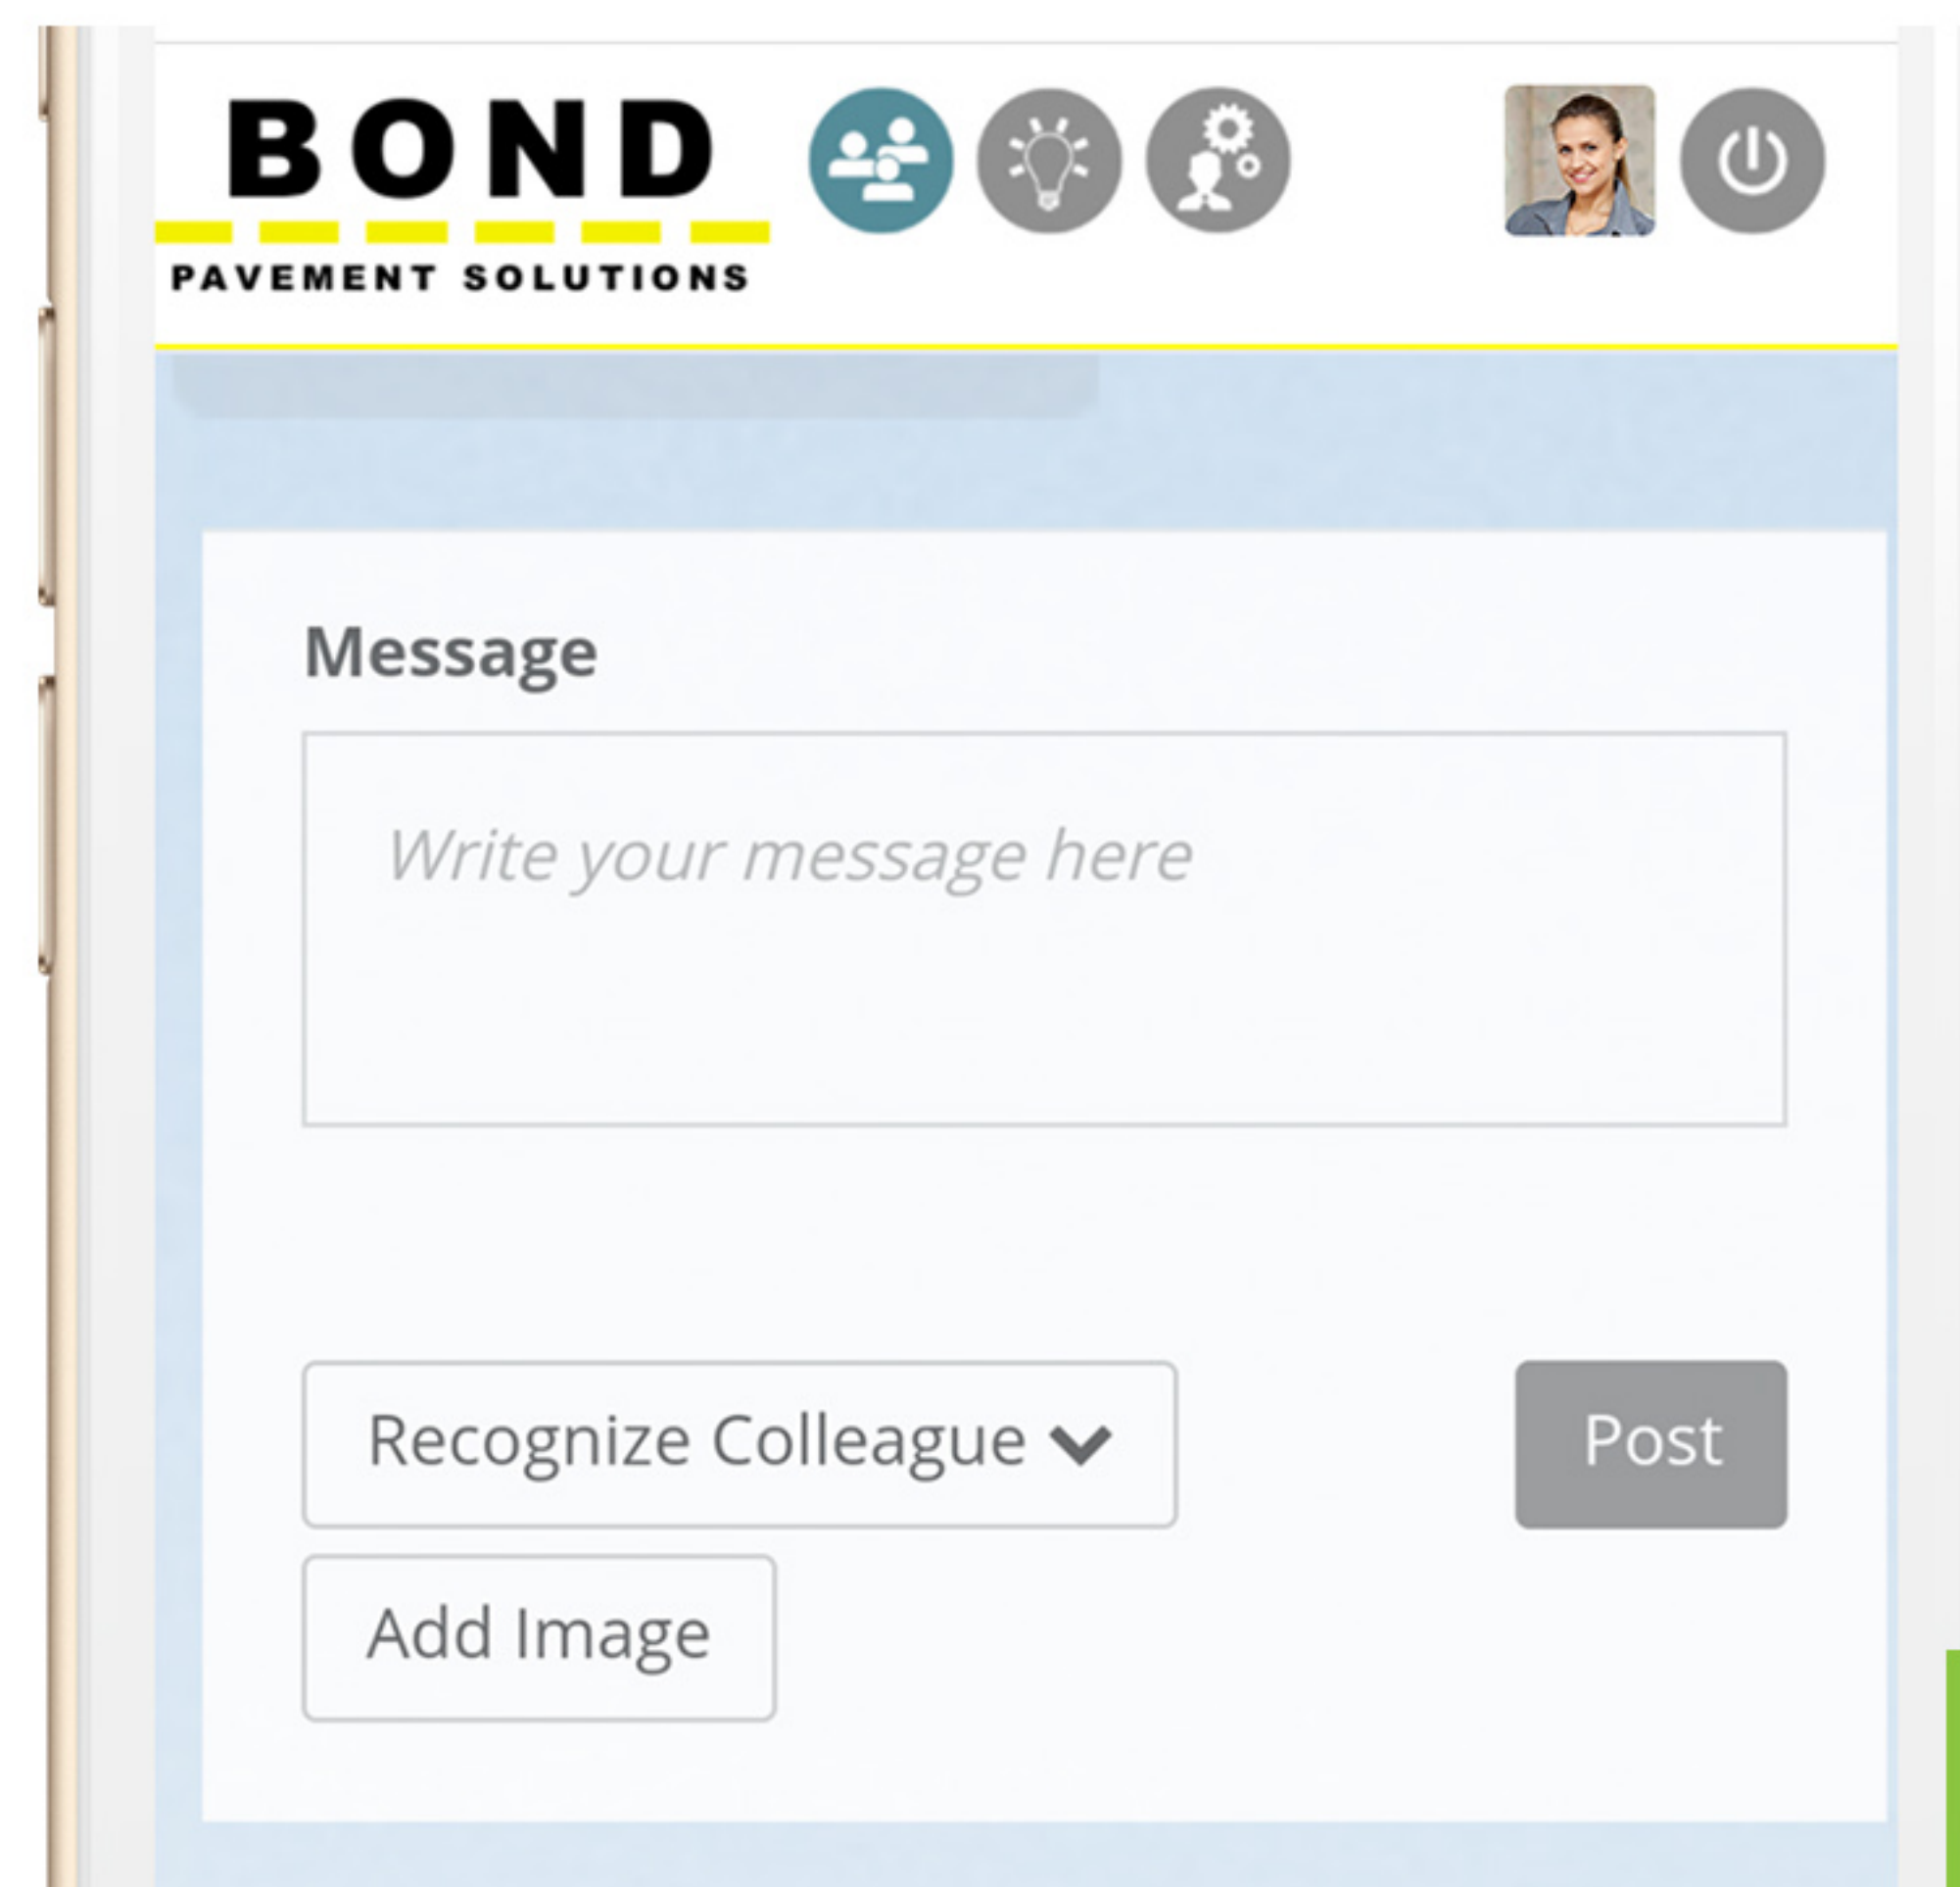

Approximately 68.5% of employees (7 out of 10) are disengaged at work

When companies spend 1% or more of payroll on recognition, 85% see a positive impact on engagement
